

The Intentional Leader, Volume I - Line Editing Review Package

Good day, Jackie,

Your Volume I line editing package for The Intentional Leader is ready for your review.

The line editing pass focused on sentence movement, clarity, rhythm, repetition, and readability while preserving the approved January through March devotional structure, the Soul Dive companion pattern, and your author voice.

Inside This Package

- The line-edited Volume I working manuscript, covering January 1 through March 31.
- A review path for you to approve the line-edited manuscript or identify bounded concerns before Copyediting begins.

What Was Completed

- The January through March Volume I manuscript was line-edited.
- The approved daily-entry sequence and Soul Dive companion structure were preserved.
- The queued Soul Dive rhythm and repetition items were reviewed and resolved.
- No new developmental restructuring was introduced.
- No author clarification is currently required.

What We Need From You

Please review the line-edited manuscript and reply to the publishing team with one of the following decisions:

- 1 Approve the Volume I line-edited manuscript for Copyediting.
- 2 Approve with specific bounded corrections.
- 3 Request a discussion before Copyediting begins.
- 4 Pause the next stage while you take more time to review.

Copyediting will not begin until your author approval is received and recorded.

Warmly,

J Merrill Publishing
